2015 FACT - TRADE TRAINING CENTRE

Marrara Christian College was established over 30 years ago by Christian parents who wanted their children to receive an education that embodied a similar direction, faith and values to their family. From that small beginning has grown the seven schools of the Northern Territory Christian Schools Association.

Our logo is a cross emblazoned on a wind-filled sail. The cross indicates the Christian faith, the “Spirit Wind” that drives the College in all areas of activity including structure and curriculum. Like sailing a ship, the College needs its sail to be filled and energised by the invisible direction provided by a sovereign God who created each of us, desires a close loving relationship with us and has a good plan for our lives.

The Trade Centre began in 2006 as a response to the needs of students, who desired a practical hands on experience in school. Since then we have trained over a hundred trainees in Certificate courses in Engineering and Construction and most are now skilled tradesmen across many industries. In 2013 we will concentrate our enrolments through the Trade Centre five day class. If you would like to enrol in the five day class at FACT which allows trainees to cover their school work, training and practical work experience, please ensure you do the following:

- Complete the Application for Enrolment form
- Provide a copy of your child’s Birth Certificate
- Provide proof of Australian Citizenship or Permanent Residency if your child was born overseas
- Provide a copy of your child’s latest Academic Report (not required for Preschool or Transition)
- Provide any other relevant documentation, such as special needs or behavioural reports
- Present the above documentation to the Trade Centre office, with a $40 administration fee

Upon receipt of the application, we will arrange a time for an interview with you. Please arrange, if possible, to bring your child along to this interview. The interview will include opportunities for you to tell us about your child, ask any questions, have a tour of our facilities and be informed about various aspects of our education program.

Acceptance of an enrolment application will depend upon the outcome of the interview, and availability of places in the Trade Centre. If your enrolment application is accepted, your child will be formally offered a placement. The payment of a $300 deposit per child will then secure this placement. This deposit is non-refundable if your child does not attend.

We look forward to receiving your application and having the opportunity to serve you in the training and education of your child.

Yours in His Service,

Richard Hart
Business Manager – FACT Trade Centre
