** Because your student will be attending a Harbour Cruise in an evening session we request that they dress up. Gentlemen it is expected that you will wear nice pants and a button up shirt. Ladies a dress / skirt / pants and nice modest top. Remember it will be around 10-15°C in the evenings in Sydney and being on the Harbour will make it extra cold. We also need to work a reasonable distance so it is important to wear sensible shoes.

*** The students will have their clothes washed twice on the trip. It is therefore essential that your student has enough underwear and warm clothing to last 8 days! It is recommended to each student to wash as soon as we reach Canberra and then just prior to leaving Canberra. There are no other easily accessible washing facilities on the trip.
