

Year 10 Elective Preferences

First Name: _____ Surname: _____ PCG Class _____

Students participate in one elective from each line for the duration of the year. Every effort will be made to ensure that as many students as possible get their first or second preference.

Students are not bound by Campus when making their choice. The College will arrange transport to the appropriate Campus for classes, however they are responsible for organising their own transport home at the end of the day.

We encourage students and parents/carers to discuss options and think carefully about the electives chosen.

Give preferences for your top 3 subjects in each line – number 1 to 3 (1 being first choice).

Elective Line 1 Tuesdays
