

Consent to Administer Medication

Please complete the form and send with medication to home campus reception office or in case of attending an excursion or camp, the First Aid Officer.

Where a student is over 18 years of age, consent may be signed for by them self.

For protection of all students, including those needing to take medication, ALL medications must be stored at the campus reception office during school hours or by excursion first aid officer.

If medication is required to be taken when student is attending classes on another NT Christian College Campus, arrangements need to be made with the home campus reception office to transfer medication and copy of Consent form.

Prescription medication must be in the original pharmacy dispensed packaging with the student's name and dosage clearly labelled.

Student's name:		Grade:	
Medication name:
